

A Model for Every Role

Available in four sizes, uTeach panels are designed with the interactive experience in mind. uTeach panels are built to enhance both the learning and teaching experiences. Explore the technical specifications of our interactive panels.

The uTeach Promise

Technology only adds value when it works. uTeach is designed to be a better experience from selection to installation to daily use.

3-week delivery
with easy
installation

3-year warranty
standard on
all panels

3-day replacement
if we can't
fix it remotely

3-hour response time
for all support
questions, period

4K Resolution Displays

The ultra clear 4K image shows the charm of feeling details that are clear and delicate.

20-Point Precision Touch

The high-precision touch supports 20-point control with single-point writing flexibility.

Versatile Connectivity

Wirelessly connect your panel to multiple devices to maximize interactive learning.

Upgradeable PC

Easy equipment upgrades make sure the focus stays on teaching, not the technology.
